## TERMS AND CONDITIONS

### TURNAROUND TIME:

You will be contacted once your inquiry/order is received to discuss all text required to place into your chosen design suite, color choices if necessary, and finalize your order. You will receive a digital PDF proof\* of all pieces ordered via email within 5 business days after your deposit has been received. Once you send email approval regarding those proofs to Nicola Black Design, LLC, printing and delivery can take up to 6 weeks. Cost includes shipping rates with USPS within the USA. If you prefer another shipping method or are ordering outside of the USA, please let us know. Your invoice will reflect any additional shipping charges you require. We will ship all orders within 6 weeks, but are not responsible for any delays regarding international orders due to importing/customs laws. Please order with enough time to prepare your invitations for mailing (keep in mind, time required on your end for prepping the invitations - such as adding stamps to inserts/envelopes, addressing envelopes, and compiling pieces for sending). We suggest ordering your invitations 6-8 weeks before you'd like to send them to your guests.

### PAYMENTS:

To begin processing your order, a 50% non-refundable deposit is due. You will receive an invoice via email from Nicola Black Design, LLC once your order has been discussed, finalized, and placed via email. The second 50% payment is due before your suite goes to print (no refunds on second 50% payment once stationery has gone to print - by submitting payment, you acknowledge those monies submitted can not be refunded and that you also agree to all terms outlined on this pricing page). Printing and shipping turnaround time of up to 6 weeks begins after 2nd 50% payment has been received. We accept credit cards (3.5% fee), Paypal (2.9% fee), and checks (no fee). New Jersey residents are subject to 7% tax. Checks should be made out and sent to: Nicola Black Design LLC, PO Box 4006, Lindenwold, NJ 08021.

*\*Please note: your PDF proof(s) will reflect the design only, not the paper. We use specific, high quality papers for each suite and our printers are aware of the stock required for intended results. If you require alternative sizing or design, your project is considered "custom." A quote will be submitted and discussed via email upon inquiry. We're happy to discuss any custom design needs you may have.*

Pricing is valid until a new pricing sheet is made available. All info, design, and suite graphics ©2012, Nicola Black Design, LLC • All rights reserved.
